Alaska

As the morning mist rises, climb in a skiff and head for the glacier. Feel the chill winding through icebergs, like tiny frozen islands. Curious seals bob their heads and sea lions flash their telltale pointy ears letting you know you're on track—chasing a wall of ice back in time. Your skiff's "ooohs" and "aahs" at these "Alaska natives" get bigger, when there's the biggest "ah" of all: Dawes Glacier. With a thunderous crack, ice crashes down.

Grab your gear and suit up. Rain or shine, it's time to live life on the outside. From skiff and beachcomb to bushwhack and kayak, Alaska's expansive landscape is where it all began for UnCruise Adventures. Yet we've never lost our fascination for this wild place. We still gasp at the greatness of Glacier Bay National Park. You will too. And with remote adventures, there are even more places to be found. We launch kayaks, skiffs, and paddle boards right from our vessels. Paddle in a tiny cove or pull on your rubber boots and head to the forest. Chattering seabirds, and pure curiosity, lead the way.

Alaska is the perfect bucket list place for families, groups, couples, and solo travelers to create adventure. Our small group sailings take you places others can't. Join us for early Spring adventures that go beyond expectation with Alaska Awakening April to mid-May. Discover dancing Northern Lights, awakening wildlife, and winter playgrounds in remote locations. We create unparalleled value. From your very first inquiry, expect personalized service and expertise—and a host of benefits that make us unique. Think big by cruising small.

Daring and ambitious, and a wee bit salty, the Wilderness Explorer was destined for Alaska's deep waters from the first moment she slid into the drink. As mariners say, she's tough - a strong "sea boat" with feet, who's not bashful or apologetic in her unflinching drive to seek out secret niches. Get to know her, and she'll warm your heart.
